## < THE HOLY SPIRIT SPEAKS TO THEM

Each Tru Fire lesson features an intentional time for kids to actively respond to what they've learned. During this time, kids learn to listen to the Holy Spirit's voice and get the chance to answer in a tangible way that reinforces the lesson.

## HOW TO RECEIVE A BLESSING >

Leaders take time at the end of each lesson to speak a blessing of life and truth over their class for the coming week. Frequently, the blessing relates to the part of God's character they explored during the lesson, providing another chance to reinforce the Big God story.

### EXAMPLE:

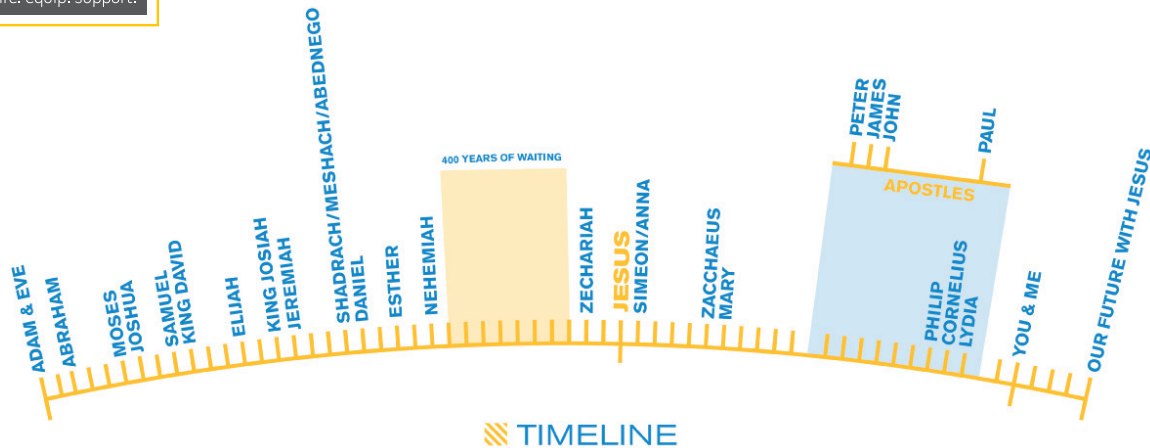

**May you know God's forgiveness this week. May you forgive others as He has forgiven you.**

# What does Tru Fire teach?

Tru Fire puts God's redemptive nature on display with **The Big God Story**, where the Bible is cohesively taught as one narrative, with one main character: God!

Children from preschool through middle school discover that the Bible isn't just a collection of unrelated stories, but one unified story of God's redemption. Through this unbroken narrative, Tru Fire shows kids where their lives fit into a storyline that begins with Genesis, continues through Revelation, all the way to today.

# What are people saying?

Tru Fire allows opportunities for the Holy Spirit to do what the Holy Spirit does best: change lives. This curriculum bridges the gap between teaching the kids a Bible story and experiencing the Father firsthand.

*Kenny Cheeseman,  
Assistant Children's Pastor*

Tru Fire has my preschoolers asking questions about God and telling their parents powerful truths about Him. Tru Fire was the perfect choice for us.

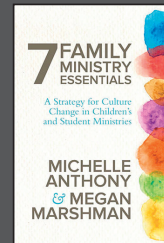

*Jill McDaniel,  
Preschool Pastor*

The curriculum set the stage; it provided a foundation that created an atmosphere in which God was glorified and the Holy Spirit was welcome and free to move!
